

# INFORMATION ON DISPOSAL FOR USERS OF WEEE

## For private households:

The symbol of the crossed-out bin on the product(s) and / or accompanying documents means that used electrical and electronic equipment (WEEE) should not be mixed with general communal waste. For proper treatment, recovery and recycling, please take this product(s) to designated collection points where it will be accepted free of charge. You can obtain Information about available collection points from the communal authorities or from the manufacturer.

Alternatively, in some countries, you may be able to return your products to your local retailer upon purchase of an equivalent new product.

Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling.

Please contact your local authority for further details of your nearest designated collection point.

Penalties may be applicable for incorrect disposal of this waste, in accordance with your national legislation.

## For professional users in the European Union:

If you wish to discard electrical and electronic equipment (EEE), please contact your dealer or supplier for further information.

## For disposal in countries outside of the European Union:

This symbol is only valid in the European Union (EU). If you wish to discard this product please contact your local authorities or dealer and ask for the correct method of disposal.
